A young woman with a dangerous power she barely understands. A smuggler with secrets of his own. A country torn between a merciless colonial army, a terrifying tyrant, and a feared rebel leader. The first book in a new trilogy from Heidi Heilig.

Jetta's family is famed as the most talented troupe of shadow players in the land. With Jetta behind the scrim, their puppets seem to move without string or stick—a trade secret, they say. In truth, Jetta can see the souls of the recently departed and bind them to the puppets with her blood. But the old ways are forbidden ever since the colonial army conquered their country, so Jetta must never show, never tell. Her skill and fame are her family's way to earn a spot aboard the royal ship to Aquitan, where shadow plays are the latest rage, and where rumor has it the Mad King has a spring that cures his ills. Because seeing spirits is not the only thing that plagues Jetta. But as rebellion seethes and as Jetta meets a young smuggler, she will face truths and decisions that she never imagined—and safety will never seem so far away.

Heidi Heilig creates a world inspired by Asian cultures and French colonialism.
